National Science Foundation
Excepted Position Vacancy

ANNOUNCEMENT NO: E20040051 **OPEN:** 3/11/04 **CLOSE:** 4/8/04

THIS POSITION WILL BE FILLED ON A TEMPORARY BASIS NOT TO EXCEED 13 MONTHS AND MAY BE EXTENDED FOR A TOTAL APPOINTMENT PERIOD OF THREE (3) YEARS.

POSITION VACANT: Science Education Analyst (Assistant Program Director), AD-1701-2 Annual salary ranges from $49,479 to $91,672.

PROMOTION POTENTIAL: Science Education Analyst (Assistant Program Director), AD-1701-2.

LOCATION: Directorate for Education and Human Resources, Division of Elementary, Secondary and Informal Education (ESIE), Arlington, VA.

RELOCATION: Expenses will not be paid.

BARGAINING UNIT STATUS: This position is included in the bargaining unit and will be filled in accordance with merit staffing provisions of the Collective Bargaining Agreement Article VIII.

AREA OF CONSIDERATION: All Sources

THIS POSITION IS OUTSIDE THE COMPETITIVE CIVIL SERVICE

If not filled as an IPA, appointment to this position will be made under the Excepted Authority of the NSF Act. Candidates who do not have civil service status or reinstatement eligibility will not obtain civil service status if selected. Candidates currently in the competitive service will be required to waive competitive civil service rights if selected. Usual civil service benefits (retirement, health benefits, life insurance) are applicable for appointments of more than one year. Disabled veterans with 30% service-connected disabilities as well as other applicants with severe disabilities will be considered without regard to the closing date if applications are received prior to final selection.

DUTIES AND RESPONSIBILITIES:

The Division of Elementary, Secondary, and Informal Education (ESIE) supports the National Science Foundation's mission of providing leadership and promoting development of the infrastructure and resources needed to improve preK-12 science, technology, engineering, and mathematics (STEM) education throughout the United States. The person selected for this position will have primary responsibilities under the Teacher Professional Continuum, and Presidential Awards for Excellence in Mathematics and Science Teaching programs.

In support of this effort the person selected for this position will work with program officers or senior researchers to administer an effective, timely merit review process, with attention to increasing the size and quality of the reviewer pools and insuring participation of women, minorities and disabled scientists. Insure the integrity and consistency in the grant/declination process consistent with conflict-of-interests rules. Monitor administration of cross-directorate responsibilities within the program. Additionally, the candidate would attend meetings and

represent the program, the division and the Foundation's policies and positions to the public, other agencies and the scientific community. Participate in the preparation of annual and long-range requirements. Recommend allocation and reprogramming of funds. Revise project budget and project descriptions. Administer, perform oversight, and follow-up with grantees in finance, procurement, personnel and facilities.

QUALIFICATIONS REQUIRED:

Applicants **must have** a masters degree in Science, Technology, Engineering, Mathematics (STEM) Education or a STEM discipline, plus a minimum of two years of research experience, research administration, and/or managerial experience pertinent to the position; or a Ph.D. in STEM or STEM Education; or equivalent research experience. ***Experience in STEM teaching, grades K-12, highly preferred.***

CONDITIONS OF EMPLOYMENT: Appointment to this position may be contingent upon successful completion of the appropriate background investigation.

HOW TO APPLY: You may apply for this position with the *Optional Application for Federal Employment* (OF-612), the older *Application for Federal Employment* (SF-171), a resume, or other application format of your choice - so long as it contains the necessary information (summarized below).

You must specify the job announcement number, and title and grade(s) of the job for which you are applying. You should also provide the following information: ♦ Your country of citizenship. ♦ Your social security number**.** ♦ Information about your education, including (1) high school graduation date and (2) college/university information - your major, and type and year of degree(s). If no degree, show total credits earned and indicate whether they are semester or quarter hours. ♦ Information about all your work experience related to this job, including job titles, duties and accomplishments, employer's name and phone number, number of hours worked per week, starting and ending dates (month and year), and annual salary. If you held various positions with the same employer, describe each separately. ♦ If you have Federal civilian experience, indicate the highest grade held, the job series, and dates held. ♦ The brochure *Applying for a Federal Job* provides information on the Federal job application process; it is available by calling the number listed below. **If your application does not provide all the information requested in the vacancy announcement, you may lose consideration for this job.**

The National Science Foundation provides reasonable accommodations to applicants with disabilities on a case-by-case basis. If you need a reasonable accommodation for any part of the application and hiring process, please notify the point of contact listed on this vacancy announcement.

Applications may be submitted via e-mail to ywoodwar@nsf.gov or submit all application material to National Science Foundation, Division of Human Resource Management, 4201 Wilson Boulevard, Room 315, Arlington, VA 22230. Attn: Announcement Number E20040051. In addition to the required application materials, you are asked to complete and submit the attached Applicant Survey form. Submission of this form is voluntary and will not affect your application for employment. The information is used for statistical purposes only. **ALL FORMS MUST BE RECEIVED BY THE CLOSING DATE OF THIS ANNOUNCEMENT.** For additional information call Yvonne Woodward, on (703) 292-4386. Hearing impaired individuals may call TDD (703) 292-8044.
