

National Science Foundation  
WHERE DISCOVERIES BEGIN

Directorate for Geosciences  
Division of Ocean Sciences

Join for the virtual 2020 NSF Frontiers of Ocean Sciences Symposium:  
Partnerships in Ocean Science and Technology  
**Thursday June 18, 2020 12:00 - 4:30PM EST**

By Zoom.gov Register at: [https://nsf.zoomgov.com/webinar/register/WN\\_JVkJ3FaiNSPiHuWsKLxtL\\_g](https://nsf.zoomgov.com/webinar/register/WN_JVkJ3FaiNSPiHuWsKLxtL_g)

*Featuring:*

Connecting scientists, local communities, & philanthropists for enhanced coastal stewardship and research  
**Phil Bresnahan, Scripps Institute of Oceanography**

New insights into the ocean carbon cycle from novel platforms and partnerships  
**Hilary Palevsky, Boston College**

The past and future of the North American monsoon  
**Jessica Tierney, University of Arizona**

Why solving the ocean plastic problem requires international partnerships & a radically open science  
**Erik van Sebille, Utrecht University**

With an **Alumni Panel** for a Discussion on Partnerships with  
**Kakani Katija, Monterey Bay Aquarium Research Institute**  
**Nikki Lovenduski, University of Colorado Boulder**  
**Randall Hughes, Northeastern University**

12:00 p.m.	Welcome <b>Terry Quinn, NSF Ocean Sciences Division Director</b>
12:15 p.m.	Connecting scientists, local communities, and philanthropists for enhanced coastal stewardship and research. <b>Philip Bresnahan, Scripps Institute of Oceanography</b>
1:00 p.m.	New insights into the ocean carbon cycle from novel platforms and partnerships <b>Hilary Palevsky, Boston College</b>
1:45 p.m.	The past and future of the North American monsoon <b>Jessica Tierney, University of Arizona</b>
2:30 p.m.	BREAK
2:45 p.m.	Why solving the ocean plastic problem requires international partnerships and a radically open science <b>Erik van Sebille, Utrecht University</b>
3:30 p.m.	One Year Later – Symposium Alumni Panel <b>Kakani Katija, Monterey Bay Aquarium Research Institute</b> <b>Nikki Lovenduski, University of Colorado Boulder</b> <b>Randall Hughes, Northeastern University</b> Moderator: <b>Terry Quinn, NSF Ocean Science Division Director</b>
4:25 p.m.	Closing Remarks <b>William E. Easterling, NSF AD Geosciences Directorate</b>
