

U.S. National
Science Foundation

Opportunities for Funding Biological Research, Education, and Training

Join program officers from the U.S. National Science Foundation (NSF) to learn about programs that support biology — from fundamental to impact on society.

Tuesday, June 25, 2024

11 am to 12 pm — UH Manoa Faculty:

Meet with NSF program officers in room 011 St. John Plant Science Lab

12 to 1 pm — Postdocs & Grad Students:

Meet and have lunch with NSF program officers in room 106 St. John Plant Science Lab
