

**TECHNICAL CORRECTIONS TO THE NATIONAL SCIENCE  
FOUNDATION (NSF) AGENCY SPECIFIC REQUIREMENTS  
TO THE RESEARCH TERMS AND CONDITIONS**

**EFFECTIVE OCTOBER 11, 2017**

Technical corrections were made to the April 3, 2017 version of the NSF *Agency Specific Requirements* (ASR) to the Research Terms and Conditions. The NSF ASRs were republished October 11, 2017.

The updated ASRs do not contain any new requirements or policies that were not already addressed in the *Grant General Conditions* that were in effect prior to 4/03/17.

Technical corrections to the NSF ASR include:

- Coverage that was already addressed in the *Research Terms and Conditions* Appendices was removed from the ASR;
- Articles that were inadvertently excluded were added. (See new articles 28, 30, 32, and 33); and
- Guidance that was redundant with coverage in 2 CFR § 200 was eliminated.

Any questions regarding the NSF *Agency Specific Requirements* may be directed to the Policy Office, Division of Institution and Award Support, on (703) 292-8243 or by e-mail to [policy@nsf.gov](mailto:policy@nsf.gov).
