

REVISION OF THE NATIONAL SCIENCE FOUNDATION (NSF) INTERNATIONAL RESEARCH TERMS AND CONDITIONS (IRTC)

EFFECTIVE May 13, 2022

Effective May 13, 2022, new international research grants and funding amendments to existing NSF international research grants will begin referencing, and are subject to, the [International Research Terms and Conditions \(IRTC\)](#) dated 05/13/22.

Unless otherwise noted in a specific article, the *International Research Terms and Conditions* apply to all new international research grants and funding amendments to existing NSF international research grants awarded on or after 05/13/22.

A summary of the changes is included below. Any questions regarding these changes may be directed to the Policy Office, Division of Institution and Award Support, at policy@nsf.gov.

Summary of Changes

- Article numbering has been updated throughout to reflect the addition of the Build America, Buy America article.
- **Project Changes, Article 8.** This article has been updated to add Build America, Buy America to the list of articles that flow down to all subrecipients.
- **Build America, Buy America, Article 37.** This new article implements the requirements of the Build America, Buy America provisions of the Infrastructure Investment and Jobs Act (IIJA; P.L. 117-58) to all financial assistance awards issued by NSF.
