

US Department of Energy (DOE)

DOE implemented the Research Performance Progress report (RPPR) format on November 22, 2010. DOE collects all reports electronically.

The RPPR format is available for review by the DOE's applicants and the public at the following web site:

[http://management.energy.gov/business\\_doe/business\\_forms.htm](http://management.energy.gov/business_doe/business_forms.htm)

The document is entitled 'Research Performance Progress Report (RPPR) final format' and is under the Reporting Forms section on this page.
