

## NSF Research Traineeship Solicitation (19-522)

Thank you for your interest in the NSF Research Traineeship (NRT) solicitation. To respond to solicitation-specific questions for this program, we will be scheduling several open-forum Question & Answer sessions.. Information is provided below on how to join, as well as dates and times, which will be updated as additional sessions are scheduled. You can join for part of the time or listen to the entire session, and there is no need to pre-register.

Note: These sessions will only address specific, solicitation-related questions posed by attendees and will not be recorded. *Given the current program capacity, we ask that you plan to attend one of these forums to have your questions addressed.*

### Instructions for the NRT Q&A Forum:

#### Call-in option

The call-in option from your phone generally presents the fewest technical difficulties and does not require a software download. See call-in numbers in the table below.

#### Audio and/or Video option via BlueJeans

- **Download and install BlueJeans** ahead of time if you do not already have this on your computer: <https://www.bluejeans.com/downloads>
- **Sign-up using your real name** so that we can identify you.
- Join the meeting using the appropriate link in the table below.
- The NSF staff will be on video, but you are welcome to use audio only.

Meeting Day and Time	Click on this link to join the webinar (video and audio)	Call-in Information (phone; audio-only alternative)
