Notes from Evaluators Meeting Part I
Thursday, January 13, 2005, 2:30 – 4:00pm

B.J. Meadows joined us by phone since she could not attend due to being on crutches with a broken leg.

Eric Sundstrom discussed the research component of the evaluator function and highlighted a number of past studies.

Denis Gray discussed his NCSU-I/UCRC work. Jennifer Schneider (NCSU) and Andrea Lloyd (NCSU), both graduate students of Denis Gray, discussed their research projects and solicited advice and feedback. Janet Bryant (Old Dominion University), a graduate student of Don Davis, discussed her work on a leadership project that has been funded by NSF.
