

Skilled Technical Workforce: NSF Portfolio Analysis

Dr. Karen Marrongelle

Assistant Director

Directorate for Education and Human Resources

July 29, 2020

RECOMMENDATION: NSF should conduct a full portfolio analysis of its STW investments. The analysis could publicize and inform stakeholders about the breadth of NSF's contributions to the STW, build awareness of funding opportunities, and maximize and leverage the impact of these investments.

“individuals who use STEM knowledge and skills in their jobs but who do not have a 4-year degree”

As defined in the charge for the National Science Board Task Force on the Skilled Technical Workforce. <https://nsf.gov/nsb/committees/stwcmte.jsp>
