

IIASA Young Scientists Summer Program 2010

Summer Fellowship in Austria for Graduate Students in Natural and Social Sciences, Math, Policy and Engineering

Each summer, the International Institute for Applied Systems Analysis (IIASA), located in Schloss Laxenburg near Vienna, Austria, hosts a selected group of graduate students, primarily doctoral, from around the world in its Young Scientists Summer Program (YSSP). These students work closely with IIASA's senior scientists on projects within the Institute's 3 theme areas.

Funding is available to cover travel to IIASA and a modest living allowance.
