CLOSEOUT MEMORANDUM

Case Number: A13010009

Page 1 of 1

Closeout

OIG received an allegation that an NSF Program Officer¹ was involved in an agreement to help a university² obtain NSF grant money in exchange for a faculty position. Ultimately, the Subject did not obtain the job.

We reviewed documentary evidence and interviewed several individuals, including the Subject, but found insufficient evidence at this time to substantiate the allegation.

This case is closed with no further action taken.
