CLOSEOUT MEMORANDUM

Case Number: A13040055

Page 1 of 1

We received a notice from an institution¹ that the IRB determined noncompliance in relation to human subjects research work conducted by a PI.² The IRB suspension of the PI's human subjects research work was lifted when the IRB imposed a corrective action and oversight plan. Our review of the matter concluded that the PI's past NSF study³ did not pertain to the identified IRB noncompliance. Accordingly, this case is closed with no further action taken.
