## CLOSEOUT MEMORANDUM

Case Number: I-16-0022-O

Page 1 of 1

We received an allegation that an NSF manager<sup>1</sup> had conflicts of interests that she had not disclosed to NSF. We reviewed the manager's conflict-of-interests file and saw the manager had disclosed her conflicts to the Office of General Counsel (OGC). Thus, NSF is aware of the manager's conflicts and is actively managing those conflicts. This case is closed with no further action taken.
