CLOSEOUT MEMORANDUM

Case Number: I-09-09-0057

Page 1 of 1

This investigation was opened based on a proactive review of community colleges. Initial review of one community college's¹ NSF award² raised questions regarding the propriety of some of the charges made to the award.

Investigation, which included conducting a site-visit to the college and interviewing relevant program and financial administrators, failed to reveal any evidence of improper charges to the award.

Accordingly, this investigation is closed.
