CLOSEOUT MEMORANDUM

Case Number: I-10-05-0018

Page 1 of 1

This investigation was opened based on information received that an awardee¹ was commingling and/or misusing grant funds and failed to keep discrete accounting records for its NSF award².

During the investigation, it was learned that NSF³ had been working with the awardee to bring its financial systems into compliance, which it did. The awardee ultimately accounted for and segregated all expenses to the award.

Accordingly, this investigation is closed.
