## CLOSEOUT MEMORANDUM

Case Number: I13010003

Page 1 of 1

We investigated the possible misuse of funds associated with four NSF awards made to a university<sup>1</sup>. We conducted interviews, and obtained and reviewed documentation from the university. We determined that the university did not materially violate any legal, regulatory, or financial conditions of the awards. Furthermore, the university is ceasing operations at the end of this academic year and does not have any current NSF awards. Accordingly, this case is closed.
