## CLOSEOUT MEMORANDUM

Case Number: I13030014

Page 1 of 1

This investigation was initiated based upon a referral<sup>1</sup> regarding allegations that a PI<sup>2</sup> at a University<sup>3</sup> had potentially misused NSF grant funds on two NSF Awards.<sup>4</sup>

We reviewed the general ledgers and supporting documents for the awards and found unsupported costs totaling \$20,000 on one award<sup>5</sup>. The University provided an explanation regarding the missing supporting documents and subsequently refunded NSF for these unsupported charges. No evidence was found that NSF grant funds were misused.

Accordingly, this case is *closed*.
