CLOSEOUT MEMORANDUM

Case Number: I14070026

Page 1 of 1

This case was opened from an allegation made by a program officer¹ that an individual² listed as an anticipated employee in a proposed subaward³ had been convicted in federal court.⁴ The individual was subsequently removed from the subaward, so the issue became moot. We did not identify any other issues that warranted further investigation.

This case is closed with no further action taken.
