## CLOSEOUT MEMORANDUM

Case Number: I14080029

Page 1 of 1

We initiated an investigation to determine if a university<sup>1</sup> failed to segregate grant accounts, charged unallocable costs to grant accounts, and/or failed to close grant accounts and return unspent funds to NSF. We reviewed grant records maintained by NSF and the university, and determined all of the allegations were unsubstantiated.

Accordingly, this case is closed.
