**CLOSEOUT MEMORANDUM**

Case Number: I-14090032

Page 1 of 1

This case was opened to follow a proactive review of SBIR awardees involving an institution<sup>1</sup>. We requested documentation from the institution, and opened cases on two SBIR awardees<sup>2</sup> with ties to the institution. Based on the progression of the investigations of the SBIR awardees, we have determined that this case should close, and any allegations against the institution should be added under the separate investigations. If needed at a later date, this case may reopen if allegations arise that are not specific to separate SBIR awardees.

This case is closed with no further action taken.
