We initiated this case as a result of a request for assistance from the National Endowments for the Humanities (NEH). The NEH Office of the Inspector General<sup>1</sup> requested this office's assistance with a matter involving the Institute of Museum and Library Services (IMLS) concerning possible contract fraud.

This office obtained and provided the NEH OIG a contact at the Public Corruption Squad, Federal Bureau of Investigation who could provide further assistance.

This case is closed with no further action taken.
