HOW TO JOIN A ZOOM TEST MEETING

OVERVIEW

You can join a test Zoom meeting to familiarize yourself with Zoom and test your microphone, speakers, and camera before joining a live Zoom meeting.
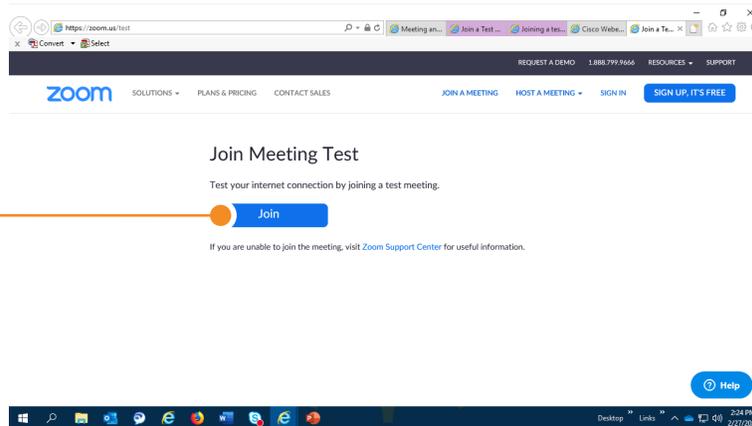

Note: If you are using the Zoom app on a mobile device, visit http://zoom.us/test to join a test meeting, then follow the instructions to test your video or audio.
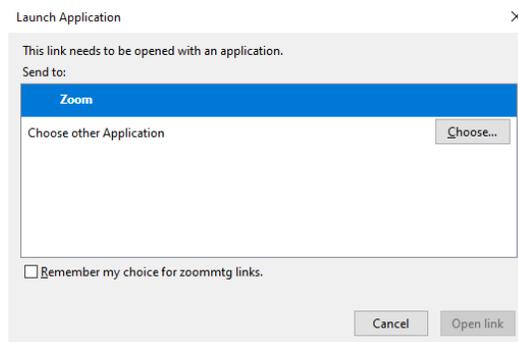

PREREQUISITES

- Zoom desktop client

INSTRUCTIONS

1. Visit http://zoom.us/test.
2. Click the blue **Join** button to join the Zoom test meeting.

Join button

3. When prompted by your browser, click **Open Zoom Meetings**. If you don't have Zoom installed on your computer, follow the prompts to download and install Zoom.
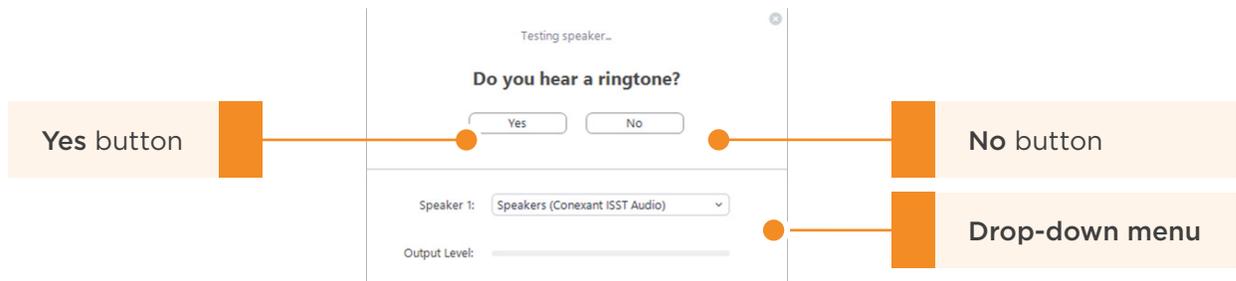

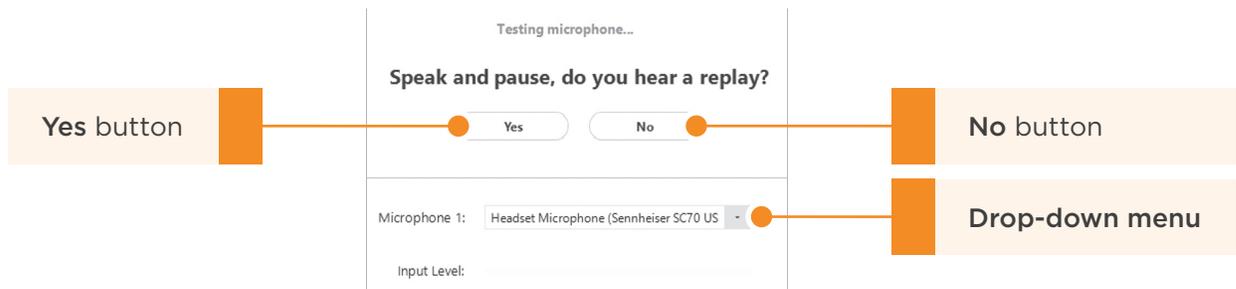

4. To test your video, select **Join with Video** when prompted. You should see yourself on screen.

Join with Video button

**5.** The test meeting will display a pop-up window to test your speakers. If you don't hear the ringtone, use the **drop-down menu** or click **No** to switch speakers until you hear the ringtone. Click **Yes** to continue to the microphone test.
