

## Table of Contents

Chapter	Page
<b>Executive Summary</b> .....	<b>v</b>
Program Implementation .....	vi
Program Outcomes.....	vii
<b>1 Introduction</b> .....	<b>1</b>
Government Performance and Results Act .....	1
GRT Distance Monitoring Survey.....	2
<b>2 Implementation of the GRT Program</b> .....	<b>3</b>
Participation in GRT Program .....	3
GRT Principal Investigator and Advisor Characteristics .....	4
GRT Trainee Characteristics .....	6
<b>3 Strategies Used to Recruit GRT Trainees and Enhance their Educational Experiences</b> .....	<b>11</b>
GRT Recruitment Strategies.....	11
GRT Project Features .....	14
<b>4 GRT Program Outcomes</b> .....	<b>19</b>
GRT Trainee Outcomes .....	19
GRT Project/Institutional Outcomes .....	25
<b>5 Conclusion</b> .....	<b>27</b>
Summary of Findings.....	27
Conclusion .....	29
<b>Appendix A: Other Data Obtained Through the Graduate Research Traineeship (GRT) Program Distance Monitoring Survey</b> .....	<b>A-1</b>

## List of Tables

Table	Page
1 Number of GRT project awards, institutions receiving awards, and trainees supported, by award cohort: 1998 reporting year.....	3
2 GRT project awards by broad focus area, by cohort year: 1992-95.....	4
3 Characteristics of GRT principal investigators and advisors: Reporting years 1997 and 1998.....	5
4 Characteristics of GRT trainees: Reporting years 1997 and 1998 .....	7
5 Comparisons of GRT trainee participation with national graduate student enrollment, by gender.....	8

**List of Tables (Continued)**

<b>Table</b>		<b>Page</b>
6	Comparisons of GRT trainee participation with national graduate student enrollment, by race/ethnicity .....	9
7	GRT projects reporting specific features: Reporting years 1997 and 1998 .....	15
8	GRT projects reporting consortial agreements: Reporting years 1997 and 1998.....	18
9	GRT trainee Ph.D. completion: Reporting years 1997 and 1998 .....	20
10	Years required for GRT trainees to complete Ph.D.: Reporting years 1997 and 1998 .	21
11	GRT trainee attrition prior to Ph.D. completion: Reporting years 1997 and 1998 .....	23
12	Number of GRT course features: Reporting years 1997 and 1998 .....	26

**List of Appendix Tables**

<b>Table</b>		<b>Page</b>
A-1	Characteristics of GRT principal investigators and advisors, by award cohort: Reporting year 1998.....	A-3
A-2	GRT trainee characteristics, by award cohort: Reporting year 1998 .....	A-4
A-3	GRT trainee gender, by broad focus area, by award cohort: Reporting year 1998 .....	A-5
A-4	GRT trainee race/ethnicity, by broad focus area, by award cohort: Reporting year 1998.....	A-6
A-5	GRT trainee minority status, by broad focus area, by award cohort: Reporting year 1998.....	A-8
A-6	GRT trainee disability status, by broad focus area, by award cohort: Reporting year 1998.....	A-9
A-7	GRT trainee citizenship status, by broad focus area, by award cohort: Reporting year 1998.....	A-10
A-8	Comparisons of GRT trainee participation with national graduate student enrollment, by broad focus area, by gender .....	A-11
A-9	Comparisons of GRT trainee participation with national graduate student enrollment, by broad focus area, by race/ethnicity .....	A-12
A-10	GRT projects reporting specific recruitment strategies, by award cohort: Reporting year 1998.....	A-13
A-11	GRT projects reporting specific project features, by award cohort: Reporting year 1998.....	A-14
A-12	GRT projects reporting consortial agreements, by award cohort: Reporting year 1998 .....	A-16
A-13	Average number of achievements per GRT trainee, overall and by broad focus area, by award cohort: Reporting year 1998 .....	A-17
A-14	GRT trainee Ph.D. completion, by award cohort: Reporting year 1998 .....	A-18

**List of Appendix Tables (Continued)**

<b>Table</b>	<b>Page</b>
A-15 Average years required for GRT trainees to complete Ph.D., by award cohort: Reporting year 1998.....	A-19
A-16 Years required for GRT trainees to complete Ph.D., by award cohort: Reporting year 1998.....	A-20
A-17 Years required for GRT trainees to complete Ph.D., by gender and minority status, by award cohort: Reporting year 1998 .....	A-21
A-18 Years required for GRT trainees to complete Ph.D., by broad focus area, by award cohort: Reporting year 1998 .....	A-22
A-19 Employment status of GRT trainees who completed Ph.D., by award cohort: Reporting year 1998.....	A-24
A-20 Employment status of GRT trainees who completed Ph.D., by gender and minority status, by award cohort: Reporting year 1998 .....	A-25
A-21 Employment status of GRT trainees who completed Ph.D., by broad focus area, by award cohort: Reporting year 1998 .....	A-26
A-22 GRT trainee attrition prior to Ph.D. completion, by award cohort: Reporting year 1998 .....	A-28
A-23 Reasons for GRT trainee attrition prior to Ph.D. completion, by award cohort: Reporting year 1998.....	A-29
A-24 Reasons for GRT trainee attrition prior to Ph.D. completion, by gender and minority status, by award cohort: Reporting year 1998 .....	A-30
A-25 Reasons for GRT trainee attrition prior to Ph.D. completion, by broad focus area, by award cohort: Reporting year 1998 .....	A-31
A-26 Employment status of GRT trainees who terminated Ph.D., by award cohort: Reporting year 1998.....	A-32
A-27 Employment status of GRT trainees who terminated Ph.D., by gender and minority status, by award cohort: Reporting year 1998 .....	A-33
A-29 Number of GRT course features, by award cohort: Reporting year 1998.....	A-37
A-28 Employment status of GRT trainees who terminated Ph.D., by broad focus area, by award cohort: Reporting year 1998 .....	A-35
A-30 Projects reporting GRT course features, by award cohort: Reporting year 1998 .....	A-38
