S = suppressed for data reliability reasons; suppression rules were revised for data from 2014 and after.

NOTES: Data from the Current Population Survey (CPS) cover employed persons 16 years and older. Annual estimates are based on CPS monthly data. In 2011, the CPS taxonomy for occupations was revised; therefore, data from 2011 to 2015 may not be comparable to data for previous years. Detail may not add to total because of rounding and suppression.
