i = imputed.

nec = not elsewhere classified.

^a Johns Hopkins University includes Applied Physics Laboratory, with \$3,817 thousand in total and \$3,817 thousand in federally financed R&D expenditures in social sciences in FY 2011.

NOTES: Institutions reporting zero expenditures in ranked total for FY 2011 are not listed in this table. Tied institutions are ranked alphabetically. Institutions ranked are geographically separate campuses headed by a campus-level president or chancellor. Some campuses are part of large multi-campus universities; some are part of state university systems. For a complete listing of campuses that belong to a larger university or system and their aggregate R&D expenditures, see table A-3.
