–	OGI School of Science & Engineering at OR Health & Science U. ^h	145	192	146	146	na	na	na	na

na = not applicable; school did not exist under this name. NA = not available; data were not collected from this institution in this year.

^a In 2007, eligible fields were reclassified, newly eligible fields were added, and survey was redesigned to improve coverage and coding of eligible units. "2007new" presents data as collected in 2007; "2007old" shows data as they would have been collected in prior years. See appendix A in <http://www.nsf.gov/statistics/nsf10307/> for more detail.

^b Totals for 2005–11 represent number of graduate students in all institutions that were doctorate granting in 2011 and differ from totals in other tables for doctorate-granting institutions in this report. See appendix A for more detail.

^c Totals for "all institutions" include data imputed for nonresponding institutions; for 2008 and later years, data imputed for nonresponding institutions are not shown separately.

^d Graduate students in joint programs of Woods Hole Oceanographic Institution and MA Institute of Technology are reported under MA Institute of Technology from 2007 to 2010.

^e Tulane U. and two LA State U. New Orleans campuses were closed in fall 2005 because of Hurricane Katrina and did not report data.

^f In 2007 Medical U. OH merged with U. Toledo.

^g Starting in 2008 graduate students at Baylor C. of Dentistry are reported under TX A&M Health Science Ctr.

^h Starting in 2008 graduate students at OGI School of Science & Engineering are reported under OR Health & Science U.

NOTE: Tied institutions are ranked alphabetically.
