na = not applicable; separate data for basic research and applied research and development were not collected for FY 1978.

^a Prior to FY 2007, Los Alamos National Laboratory was administered by University of California. On 1 June 2006, administration was transferred to Los Alamos National Security LLC, an industrial firm administrator.

^b Prior to FY 2008, Lawrence Livermore National Laboratory was administered by University of California. On 1 October 2007, administration was transferred to Lawrence Livermore National Security LLC, an industrial firm administrator.

^c R&D expenditures decreased in FY 2011 due to removal of expenditures for capital projects. In this survey, R&D expenditures do not include capital projects. In previous years, some federally funded research and development centers included capital expenditures in their R&D totals. Previous years include an unknown amount of capital expenditures, estimated to be less than \$500 million per year.

NOTE: Because of rounding, detail may not add to total.
